

# Ovelo

Design: Stephan Copeland

Uniquely designed LED task light for the modern office. Incorporates on-board shut-off which automatically turns the light off after 9 hours to ensure energy savings. Ovelo uses 6W dimmable LEDs to illuminate an entire worksurface. Combination aluminum and steel construction. Covered spring-balanced arm provides complete flexibility of the pivoting arm and lamp head.

TECHNICAL INFORMATION

Lamp: 6W Dimmable LEDs (4x1.5W)  
Total energy consumed 8.1W

Offstate Power: 0.35W

Luminance: 100 footcandles at 16 in. (1000 lux at 400 mm)

Color Temperature: 3000°K±200°K

CRI: 80

AC/DC Converter: Electronic plug-in transformer

Power Cord: 5.5 ft (1701.8 mm)

Mounting: Edge Clamp, Table/Desk Base

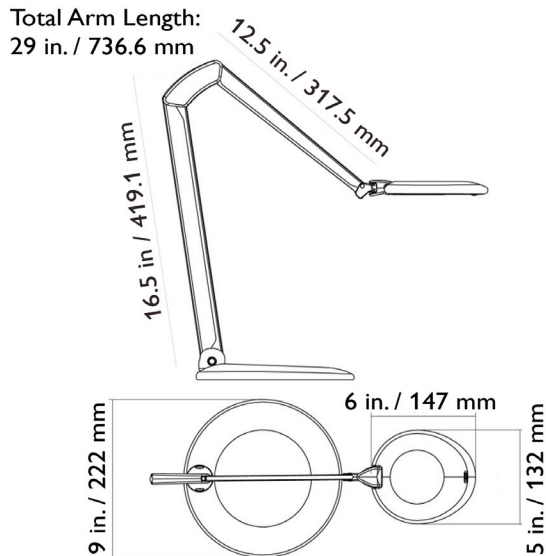

OVELO

LM-80 RoHS
