The right light

Verit

Verit - Versatile task light that adapts to any work environment. An asymmetric energy-efficient fluorescent lightsource and flicker-free ballast maximize work space and provide comfortable, economical illumination. Spring-balanced arm and flexible shade can be turned and fixed in almost any position.

- Light source: 4-pin, 13W compact fluorescent lamp
- Arm length: 32.5 in. (830 mm)
- Available with edge clamp mount
- Colors: Black, White
